Dear Parents

It's been another exciting week at Rosherville with swimming and Forest School starting. These lessons equip your child with broader life skills and it is wonderful to watch them take part and really enjoy learning new things. Don't forget to find out from them the new skills that they have learnt this week.

Today we shared the images of the new school located at Cable Wharf and have started to prepare for the Ground Breaking Ceremony later this month. We are preparing a Time Capsule along with a book detailing the Hopes, Prayers and Dreams that your children hold for the new school. It's going to be a fascinating year as we all watch the creation of our new long-awaited building.

Term Dates 2025

We wanted to give you advance notice that in order to support and allow for the move to the new site in September 2025, it has been agreed that Rosherville pupils will return to school on September 8th. We will place these term dates on the website.

Charity event

As in previous years each class will be supporting a charity this year and holding an event to raise some vital funds, Morpurgo class will be hosting the event in Term 1. Each class will then organise an event in the following terms.

Morpurgo Class will be hosting a 'MacMillan Coffee Afternoon' on Friday 27th September. Morpurgo class will be decorating cakes to sell but if you would like to make a cake donation, we would be very grateful.

Please come to the school to support this fantastic charity by buying a cake and sharing it with your child from 1.30 pm.

If you are unable to attend, then please send your child with some money to buy some cakes.

Morpurgo Class will also be selling these cakes at the end of the day.

The support that MacMillan give to families when they are facing the most difficult times is vital which is why we always support this event as a school annually.

Clubs

All clubs begin next week. We hope that you have signed up on Arbor. If you haven't, there is still time, just check your communications to sign your child up.

Clubs include, Choir, Multi skills, (a sports skills based club) and Lego. Please ensure that if you sign your child up that they attend weekly.
