20th September 2024

Dear Parents/Carers

It's been another exciting week at Rosherville with the children starting to prepare a time capsule to celebrate the Breaking Ground Ceremony at the new school site. All classes are planning the items that they want to put into the time capsule and writing their individual thoughts, prayers and dreams for the new school. In worship we spent time thinking about how any school is not about the bricks of water but about the people within it.

I am looking for volunteers within our community to form a Change Committee which will help gather views about the different stages of the move to the new site. If you would like to be part of this, please let me know on the gate or leave a message at the office.

MacMillan Coffee Afternoon

Just a reminder that we are holding our annual MacMillan coffee afternoon on Friday 27th of September. We will be serving cakes and drinks in return for a donation to this wonderful Jeopardy. If you are able to donate some cakes, please drop them into school on Thursday 26th September.

Year 6 Transition

There will be a Secondary Transfer Meeting for year 6 parents on Tuesday 24th September at 3.15pm

New Attendance Guidelines

You may already know that the legislations and guidance around attendance in schools changed on August 19th. Next week your child will be bringing home a paper copy of these new guidelines in an easy-to-read format that you can keep at home to remind you of what this new legislation means. If you have any questions, do not hesitate to contact the school.

Communication

We are always looking to understand the best ways that we can work with you in partnership. Please look out for a Microsoft form that will have some very short questions and should take you no more than a couple of minutes to fill out. This will help us to understand the most useful ways we can communicate with you.
