Dear Parents,

Welcome back to the start of another exciting year at Rosherville. We have much to look forward to including watching our new school emerge on our brand-new site down on Cable Wharf. It has been wonderful to see you all again and meet all of our wonderful new children and parents.

Forest School

We will begin next week on a Friday for Morpurgo, Rauf and Zephaniah classes. Please ensure that children wear suitable old clothes and waterproof footwear for this.

Swimming

We will also start next week on Thursdays for Morpurgo and Rauf classes. Please ensure your child brings a coat as well as their swimming kit as we will walk to the swimming pool regardless of the weather.

Clubs

After school clubs will begin on Monday 16th September. Look out next week for the Arbor message asking you to sign up.

Home Learning

This term we have decided to set a different home learning activity.

At Rosherville, we would like the children to achieve most of the '**50 things to do before you leave Rosherville**' which your child will bring home

Some of these activities have already done through school (for example trips).

We would now like friends and families to get involved and achieve these with the children.

This is a great opportunity to have some fun with your child!

Children can explain how they achieved the activity by:

- Writing a poem
- Drawing a picture of the activity
- Writing a short recount
- Print a picture
- Or simply telling someone about it

They can either bring this to school every Friday or on the last week of Term 1. We would like the children to complete two or three of the activities .

We will then add this work to the website and celebrate these activities in school.

Thank you for your continued support in enriching children's experiences.

Have fun!
