

31st January 2025

Dear Parents/Carers

It has been another great week at Rosherville with Year 5 children welcoming local residents and also taking part in a whole day art project. We are very excited to be hosting the Winter Disco tonight and look forward to hearing the tunes that Mr Stanton from St Botolphs has selected for us. Don't forget you can view the art work from local schools, including Rosherville, between 4pm and 8pm at Platinum Park in the Garden City on Saturday 1st February. Look out for the Common Gulls that are around the lake as these were made by Rauf class.

Hive Hope

Donaldson class have chosen Hive Hope as their charity. All the children learnt about this fantastic local charity during worship yesterday with Mr Easton. All donations for this charity can be brought to school from the week beginning 10th February to 14th February. This is an amazing opportunity to realise our vision of contributing to our local community. It was also wonderful to listen to the children talking about this and showing their understanding of their part in supporting the community.

O2 – Young Voices

The children were a real credit to the school on Friday - they're behaviour was impeccable. It was a very long day and they were full of energy throughout. They sang beautifully and it was wonderful to be involved in such an amazing venue with a fantastic atmosphere.

Tea Party

On Wednesday, we welcomed local residents and those from the congregations of St Botolphs and St Marks to join us in a tea party and be entertained by the Rosherville choir. It was a wonderful afternoon and Rauf class did a brilliant job of hosting, serving and conversing. This will definitely be an annual event and afterwards we started to make plans for a summer event, where we can welcome previous pupils from the school to come and reminisce about their own school days.

Safeguarding Newsletter

Please make sure you read the safeguarding newsletter that accompanies newsletter as it gives lots of practical advice about how to keep your children safe online. This month, it gives some information about Squid Game, messaging and snap chat.
